

Extension of deadline - Call for nominations for the ICIAM Prizes 2027

The ICIAM Prize Committee for 2027 calls for nominations for the six ICIAM Prizes to be awarded in 2027 (the Collatz Prize, the Lagrange Prize, the Maxwell Prize, the Pioneer Prize, the Su Buchin Prize, and the Industry Prize). Each ICIAM Prize has its own special character, but each one is truly international in character.

Nominations are therefore welcomed from every part of the world. A nomination should take into account the specifications for a particular prize (see <http://www.iciam.org/iciam-prizes> and see also below), and should contain the following information:

Full name and address of person nominated

Web home page if any.

Name of particular ICIAM Prize.

Justification for nomination (cite nominator's reason for considering candidate to be deserving, including explanations of the scientific and practical influence of the candidate's work and publications).

Proposed citation (concise statement about the outstanding contribution in fewer than 250 words).

CV of the nominee.

2-3 letters of support from experts in the field and/or 2-3 names of experts to be consulted by the Prize Committee.

Name and contact details of the proposer.

Nominations should be made electronically through the webform available on the website <https://iciam.org/prizes/nomination>. **The extended deadline for nominations is December 1st, 2025.**

The nominations will be reviewed and discussed by the individual prize committees for each of the prizes, and top candidates identified. These will then subsequently be discussed by the Prize Committee (PC), consisting of the chairs for the individual prizes and the ICIAM president:

- Wil Schilders, president ICIAM (chair of PC)
- Ricardo Nochetto (USA), chair of Collatz Prize committee
- Dirk Hartmann (Siemens), chair of Industry Prize committee
- Shi Jin (China), chair of Lagrange Prize committee
- Zuowei Shen (Singapore), chair of Maxwell Prize committee
- Karen Veroy-Grepl (Netherlands), chair of Pioneer Prize committee
- Claudia Alejandra Sagastizabal (Brazil), chair of Su Buchin Prize committee

The prize winners will receive their awards during the opening session of ICIAM 2027 in The Hague. In the recent ICIAM Board meeting, it has been decided not to have an early announcement of the winners in September 2026.
